Class of 2018

Mr. Robert Rametti, Headmaster

Dear Class of 2018:

It is with great honor and excitement that I write the opening lines of your yearbook. This yearbook is a celebration of each of you who have successfully completed their course of study at Brighton High School and who have exemplified the core values of our school community along the way.

In the pages that follow, we acknowledge and reflect upon your fondest memories and accomplishments of the past four years. We also look forward to the possibilities of your future.

First, a few words on the past. The past four years have been a journey…a journey to learn about the world around you and a journey to learn about yourselves. In your academic classes, your teachers taught you about mathematical precision and reasoning on topics ranging from solving systems of equations to vectors and tangents. You've investigated light and motion, population growth and natural selection, and atomic structures. You've read novels like *Of Mice and Men* and *The Bluest Eye* and perfected your argumentative and narrative writing by revising draft after draft. You've studied the constitution and the early years of America, imperialism, and social issues in modern day society.

And in your electives, you've discovered new talents and interests. Some of you discovered that you like playin instruments; some of you learned that you love soccer; some of you developed a passion in business and entrepreneurship; some of you realized you want to go in to a career you had never even thought about before coming to Brighton High—like cartooning, computer engineering, law, medicine, and scientific research. Some of you realized you want to pursue competitive athletics in college.

And through it all, you've developed into intelligent, well-rounded individuals who know what they love (and what they don't!). You've had opportunities to discover and explore your interests and to develop your passions

These passions are what will lead you into the future. Let this yearbook be a celebration of your many passions and accomplishments; we celebrate your incredible potential as you move on to the next chapter in your education.

In closing, I leave you with the words of Malcolm X. He once said, "Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

This yearbook is but one of many artifacts and rituals that we will use to celebrate your future. The classmates, teachers, clubs and activities pictured among these pages have all contributed to who you are today.

As you flip through the pages of your yearbook and you reminisce about the good times you've had at BHS, know that you have the passport that Malcolm X talked about; you will take all that you've learned about yourselves and the world around you on to college and beyond.

Tomorrow does belong to you. You are the future, and it begins now.

Your Advocate Always,

~Mr. Rametti

Ms. Brittny DeMatteo, Assistant Headmaster

Dear Class of 2018,

What a year it has been! I cannot believe how fast this year has gone by and can only imagine that you share my sentiment in feeling that high school has flown by for you in a similar way. Although I did not know you individually when you started your high school journey at Brighton High School four years ago, I feel deeply connected to all of you and know that the growth and changes you have made during your time here have been monumental. I have seen profound changes in you even over this year by witnessing silly young boys grow into mature and determine young men and shy girls becoming poised and confident young women--all of whom are ready to take on the world and go on to do wonderful things.

High school, and senior year in particular, has its highs and lows, which many of you have undoubtedly felt on more than one occasion. Personally, high school for me was the wildest roller coaster ride of my life, but when the roller coaster finally came to a stop after many twists, turns, steep hills, and drops, I was ready--ready to move on with my life and accomplish my dreams. Moving on in life for me meant going on to college, studying abroad, traveling extensively, and working full-time while obtaining my college degree. My experience in college ultimately led me discovering my deepest passion around education and social justice. The beauty of my experience was just that- it was my experience. For the first time in my life, I was in charge of myself and my goals. I was the author of my story-- a story that continues and has led me here to be with you all today at Brighton High School. I share this with you because I want you to know that you too are the author of your own life. You have the power to discover yourself, affect change, and find your passions. Your life is what you make of it. Don't be afraid to try new things, meet new people, take risks, and go out of your comfort zone. Don't be afraid to branch out and spread your wings, have a positive outlook and attitude, and never give up.

I share this with you, Class of 2018, because when I was getting ready to leave high school, my favorite teacher gave me some similar words of wisdom. He said, "College is what you make of it. You get out what you put in. You put in hard work, you will see success. You have a positive attitude, you will transmit that positive energy to the universe and it will come back to you. Work hard, kid, you're going to change the world." The words my teacher said to me that day are a universal message: life is what you make of it and you get out what you put in. Hard work and positivity breeds success. You can and you will change the world.

Class of 2018, you have changed my world. I have enjoyed and cherished every moment with you this past year and I have enjoyed getting to know you. You are witty, intelligent, determined, and tenacious. I am sorry we were only with each other for a short time, but it is with the utmost confidence that I can say that you are ready to leave the walls of Brighton High and take on the world full force. Cheers to you Class of 2018, I can't wait to see you thrive and make the world a better place!

In closing, I will leave you with a very fittiny quote from my old favorite, Dr. Seuss:

"You have brains in your head and feet in your shoes, you can steer yourself in any direction you choose! You're off to great places! Today is your day! Your mountain is waiting so... get on your way!

Frederick Douglas, an escaped slave turned abolitionist and famous orator, once declared in a speech four years before the Civil War, "If there is no struggle, there is no progress." I consider this past revelation a mantra for humanity or at least the maturing high school student. Class of 2018, together, you have faced various forms of adversity within your communities and throughout your education. You have faced this struggle head-on, persevered, and progressed and because of that I acknowledge and honor your commitment to your education and to your success. As you take your next steps and walk into the world after high school, as you turn your dreams into reality, remember that at times you will struggle, but through that struggle, there are always lessons to learn. Working through struggle sharpens your senses and tests your skills. And when you get to the top, you will not only have victory, but you will have forged an easier path for the generations following in your footsteps. I can't wait to see the mark you make on our world. Congrats!

ATHLETICS
2017-2018

Brighton High School offers an extensive interscholastic athletic program throughout the academic year consisting of 13 varsity sports. Our teams are competitive and over the past ten years we have won 15 eague, 7 divisional and three state championships. Interscholastic sports are offered at the junior varsity, and varsity levels.

The Brighton Bengals Athletic Department was once again very successful in 2018. Led by an incredible senior class the Bengals dominated in Boys Soccer, Football, Boys Basketball, Baseball and Girls Softball. We continue to improve our athletic facilities and are excited about he future.

Our athletics department mentors scholar-thletes to be champions both on the playing field and in the classroom. The Brighton High School Bengals are members of the Massachusetts nterscholastic Athletic Association MIAA) and the Boston City League BCL).

The Bengals coaching staff consists of edicated men and women who don’t simply coach but serve as role models. The athletic department views sports as an opportunity for the evelopment of character, teamwork and sportsmanship. The playing elds are an extension of the classroom.

We wish our seniors the best of luck as they continue to represent the Bengals at the college level. ~Coach Abraham

Shout Outs to the Class of 2018!

Congratulations to the senior debaters for bringing Bengal Debate back to Brighton High School! - Mr. Campbell

For Darlin Galvez- You are incredibly hardworking, thoughtful, and so very intelligent. I am so proud of you and I cannot wait to see all the wonderful ways you change the world. - Ms. Moran

Yaselys Baez- Thank you for always making me laugh. You are an incredible person and I wish you so much success (baby boo forever!) - Ms. Moran

Ashley Perez- You are one of the most thoughtful and articulate students I have had the pleasure to know and teach. Thank you for your effort and kindness this year. I wish you all the best! - Ms. Moran

Sergio Rodriguez- You are one of the hardest working people I know. Thank you for always making me laugh and for all the conversations in the hallway. I can't wait to see what you do next! - Ms. Moran

Alex Paniagua- I give you full permission to go get lunch now and forever. Go change the world! - Ms. Moran

Congratulations to all of my former advisory students--Elvin, Lindsay, Jaime, Edileisi and "Coach Eric"! You are amazing! - Ms. Coyle Aylward

Much love to the class of 2018 who chose to challenge themselves when they were juniors: Iris B., Houda B., Raqael C., Yohanalis E., Lwan G., Jimmy H., Laqu H., Lea M., Racelin M., Ernesto M., Johnny O., Tiani R., Keno R., Shanaya R., AnaRita R., Lybille R., Gul R., Stacy S., Josselyn V., Leslie V., and Gio V. - Mrs. Baumgarten

Life is truly about what you make of it. Therefore, whatever you dream of and believe in, you will most definitely achieve. All you have to do is decide of what you truly want in life and then take action to go get it. It's up to you to make your dreams come true, because we are all born with the qualities to create the life we truly envision for ourselves. So, be bold enough to make the rest of your life, the best of your life, because you truly deserve it!
- Coach Coleman

To the boys basketball and football team for blowing up the fist pump on a regular basis as they walked the 3rd floor hallways at Brighton High. You helped make my first year as a teacher an incredibly positive and memorable experience. Thank you! - Mr. Trinidad

Class of 2018 congratulations on your graduation and best wishes for your next adventure! - Mrs. Abraham

Congratulations Class of 2018!! Don't be scared of failure and always stand up for what you believe in. The rest will fall into place. Best wishes! - Dr. Strickland

To my AMAZING AP Psych class- I will miss you so much! I know you will all achieve great things, just remember to be positive! To Lybille, Leslie, Houda, Lea, Ana, Keno, Shanaya, Racelin, Josselyn, Helen, Tiani, Carlos, & Lwam: Thank you for actually doing your reading and geeking out with me about how cool Psychology is. I'll miss you guys - Ms. Nummelin

Sam Ayala history class won't be the same without you! Best of luck in what comes next. - Ms. Nummelin

Darlin Galvez your positive attitude, hard work, and kindness made our class so wonderful! We will all miss you and we wish you luck with all your future endeavors. - Ms. Nummelin

Sergio Rodriguez your hard work and love of learning are truly special. It has been an honor to be your history teacher! - Ms. Nummelin

To the Senior Leadership CREW - Thank you for your hard work all year. You have learned to lead by example with your patience, determinatin, teamwork, and vision. - Ms. Benat

To my Seniors in Biology class - Thank you for the laughs, the questions, the challenges, and your dedication. I am a better teacher and person because of you. - Ms. Benat

Congratulations to all of my ELA graduates of 2018. It has been an absolute pleasure to work with you each and every day and some of you for 4 years! You will always be "My Seniors". Never Give Up! - Ms. Edwards

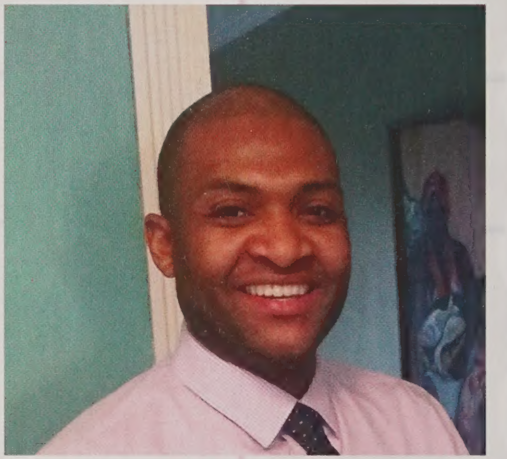
Thank you Meditation CREW seniors for our awesome circles, adjective action guessing games, and sock puppet charades. I wish you all the best in your futures! - Ms. Reich

To Gul Rukh- You have turned out to be an amazing young woman and I am so proud of your strength, courage, and determination. You are one of the most thoughtful and caring students I have ever met and I look forward to seeing all the good you will do in the world. Lots of love, Ms.Boisselle

Shout out to all of Ms. Boisselle's amazing ESL 3 Seniors! We are going to miss you so much! Sindy, Wilki, Jose S, Jose R, Nicolasa, Cristina, Wilson, Ashley, Keylin, Omar, Estefany, Saif, Dunya, Emiily, and Abdi!

ESL 4 CREW Seniors in the house! We are going to miss you guys more than you know! Ms. B and Ms. L

Final Words from the Assistant Headmaster



Dear Class of 2018,

First and foremost, I wanted to congratulate you all on your academic success and reaching this milestone!! It has been a great experience getting to know each and every one of you. You should be proud of your efforts, hard work and dedication in reaching this point. Your journey through high school has not been an easy one. Embrace the ups and downs of your time here at Brighton High School (BHS) and make sure to learn from every mistake and obstacle. It is our failure (s) that always teach the largest lessons. You have gone through many changes and dealt with challenges, but you came out on top and now it is time to start the next chapter.

This next chapter will be an exciting and challenging one. When life gets chaotic, please remember that you are stronger than you think and you can rise to any occasion and succeed. You have what it takes to succeed and achieve. Do not be afraid to ask for help. Question the system and stand strong for what you believe in. Battle the status quo if it does not include justice and liberty for all. Embrace the struggles that you have been through and remember that they gave you the strength to get where you are today. When you want to give up, and that will happen at times, remember your Bengal family is always cheering you on. We are all proud of you and BHS will always be your home. Please come back and visit, but do not be afraid to step out bravely into the world and make your mark!

Peace and continued blessings,

Mr. Kelton
